\* When we assign slip spaces, we do so based upon a number of factors, beginning with sponsorship level. From here, we assign slips based upon length and beam and how best to utilize our current docking configurations and spaces for tie-ups and rafting. There are times when a dock space will be assigned that is not in the main marina.

\*\* Additional wristbands (for the poker run or meals only) may be added until June 19th, 2026.
